

DISCLAIMER

All material and information on Mastery Institute Australia's website is provided in good faith and is believed to be accurate and current as at the date of publication. Mastery Institute Australia will not be liable for any damages whatsoever whether in an action in contract, negligence or other tort, arising out of or in connection with access by third parties to our website or the information and material contained within it.

SECURITY RISKS AND COMPUTER VIRUSES

Anyone accessing our website and learning management system must accept responsibility of all risks associated with the use of the World Wide Web, which operates across insecure, public networks.

Accessing the Internet may put your computer, software or data at risk of being damaged by hackers or Internet virus. Connections transmitted to and from this site could be intercepted and modified by a third person. Please ensure you have the required anti-virus and firewalls required for your operating system and these are monitored and upgraded frequently. The enrolment process on Mastery Institute Australia's website is secure and this information is protected.

THIRD PARTY WEBSITES:

The website may contain links and pointers to other websites operated by third parties. Third party links and pointers are included solely for your convenience. Links to third party websites do not constitute endorsement, sponsorship or approval by Mastery Institute Australia of the content, policies or practices of those third-party websites.

Mastery Institute Australia has no control over the content of material published by cross-referenced third party sites that may be contained in these resources. It is the responsibility of the Internet user to make their own decision as to the relevancy, accuracy, currency and reliability of information found on those sites. You agree that by accessing any third party linked website you do so at entirely at your own risk. Mastery Institute Australia makes no guarantee of the products and services promoted via linked websites
